

# Reboot application form

Durham County Council has partnered with Protech City to offer low-cost computer equipment to County Durham based registered charities and social enterprises under the Digital Durham Reboot scheme.

To be eligible you need to use the equipment to:

- Help residents get online by providing free internet access
- Provide support to residents to improve their skills
- Assist the organisation to run more effectively

Standard devices cost £75 for a desktop and £105 for a laptop. Both come with genuine Microsoft Office 2010 Home & Business software and a Windows 10 operating system that includes anti-virus. The table below outlines the minimum specification for each device type.
